## Thanksgiving Service at Belvoir Castle 7th September 2009

**Melton Mowbray Belvoir members, past members, partners and also Inner Wheel members attended a reception followed by a service of praise and thanksgiving in the Belvoir Castle Chapel as part of its 25th anniversary celebrations.**

Judith Wells, Inner Wheel member and reader to the Vale of Belvoir Team Benefice, led the service and readings were given by the President Tony Wallis and Rtn Dennis Hurst.

Rtn Richard Holton read a poem composed especially for the occasion and Rtn the Rev Dougie Dennis offered the prayers. A collection was taken for the Rainbows Children's Hospice.

After the Service we all enjoyed a meal and fellowship at the Chequers Pub Woolsthorpe.

Past members Phil and Jacky Smith who were on a short visit from Canada, joined us in the restaurant.

# Itala Project

Report from Interactors Morgan McFie and Chloe Culpin's visit to Italia school in Zambia 2009

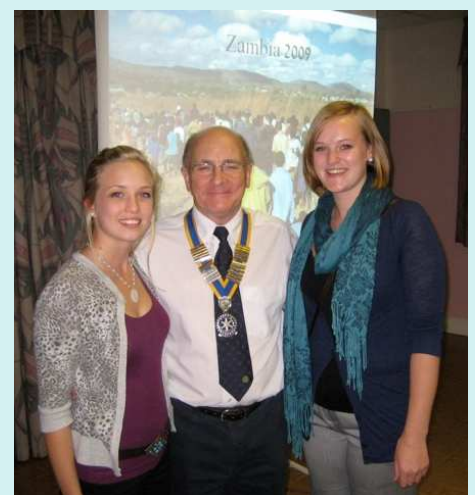

**Chloe and Morgan were sponsored by the Rotary Club of Melton Mowbray Belvoir to visit the Itala school in Zambia. This was part of a group of students from a school in Wales led by Rtn Tony Foster.**

The first week spent in Itala was in helping the teachers and integrating with the students. Chloe and Morgan helped teach English and Geography. The girls took part in a netball game and the boys played football. Both lost to the Itala children.

During the second week they took part in a safari into the bush and saw many wild animals and also a trip to Victoria Falls, which was described as truly awesome.

They presented a plaque commemorating the donation from Coesfeld (*our twin club in Germany*) and Melton Belvoir Rotary Clubs.

Chloe and Morgan have returned with a determination to continue raising funds for Itala and would like to get King Edward VII school involved.

## LIFE SAVING AID ON WAY TO DISASTER ZONES

Thanks to the dedication of Rotary members, vital relief supplies are heading to Samoa, the Philippines and American Samoa following the tsunami and earthquake. Water Survival Box, Shelterbox and Aquabox, are rushing to the scenes to offer help. Already there is a Shelterbox team on site in the Philippines helping provide homes for families who are affected.

The disasters have destroyed villages, leaving hundreds of people in chaos and worrying for missing loved ones. Water Survival Box, Shelterbox and Aquabox will provide much needed temporary homes and clean water during this terrible time. They contain water purification kits, tents and other equipment for hygiene. Research is ongoing to improve the contents of the boxes, further helping those in need.

These RIBI recognised projects are supported by Rotary members up and down the UK who raise funds through various activities to help provide humanitarian aid where needed. Anything from school activities to public donations are poured into the initiatives with the aim of saving lives.
