

# Rotary Club of Melton Mowbray Belvoir

December 2009 - Mail News and Events

some of the Santa's helpers

With the help of Inner Wheel, Round Table and Interact members the collection for charities amounted to **£6300. Record Year for Rotary's Santa Sleigh**

Rotary Santa Sleigh had a very busy eight days. The first engagement was at the Victorian Fare in Melton Mowbray and for this event we collected donations for the first time. During the day Santa made his presence at the Melton Super Stores and in the Melton Market Place for two days 10am- 4pm. The evening runs were between 6pm-8pm Santa visited the residential streets of Melton Mowbray.

This project is a big commitment for all members

especially the members who prepare the sleigh, administer the correspondence and the rota, also the treasurer who carries the donations to the bank, which is mostly in coinage.

This is one of the most satisfying of Rotary community projects, seeing the smiling faces of small children when they see Santa.

A great thank you to the public who donated so generously to make this a record collection.

The next issue reports on Young Chef - Rotary Carol Service - New Members - Christmas Parcels - Donations - Make it Happen - Programme on speakers and events

**Wish you all a Happy Christmas and Peaceful New Year**
