

Hi everyone, for those of you who read your emails on a Sunday, can I remind you that our 'Down to Earth' programme will be transmitted on Radio Leicester (104.9 FM and DAB) at 12 noon today.

Listen in to see if you can guess who the questioners are.

If you miss the programme, you can listen again on the BBC i Player and we will (hopefully) post a link to this on the new club website (www.rotarymelbel.org), later on today.

best wishes, Tony.

PS we have around 12 visitors from Soar Valley at the meeting on Monday.
